RE: Reference – The Colorado Group: Jason Kruse and Micah Loeb

It is my extreme pleasure to recommend Jason Kruse and Micah Loeb of The Colorado Group as commercial brokers.

We hired Jason and Micah to represent us when our company needed additional office space. This was the second time we worked with Jason on a commercial real estate transaction. We were extremely pleased with their representation and we were able to expand into a space at below market lease rates with a significant tenant finish allowance. Jason and Micah provided superior service and guided throughout the entire process. From initial property tours, lease negotiations, tenant finish construction to the final walkthrough, they were with us every step of the way.

We highly recommend Jason and Micah. Their outstanding client focus and personal service, impressive market knowledge, outstanding work ethic, and high level of integrity served us well. They are without a doubt the best in the business.

Feel free to call or email me with any questions.

Sincerely,
